Principal’s Message
Welcome to Term 3, everyone, I hope you all had an enjoyable and happy school holiday break. The students have returned full of energy and keen to learn. We have an exciting term ahead full of special events to enjoy.

Education Week
This week is Education Week. Our dance groups and choir performed on Monday morning at Westfields in Mt Druitt. They did a great job. This week we have special Education Week activities happening on Wednesday 30th July including a 'Kids Matter' morning tea for parents in the CCR room at 11am, a special Education Week assembly at 11:30am and open classrooms from 12:30pm. Parents and family members are invited to share a picnic lunch with their child from 1:15pm. Lessons will resume, as normal, from 2pm so we would appreciate students not leaving school early on this day as they will miss important learning time, thank you.

Special Events This Term
Other special events this term include our Athletics Carnival, our Performing Arts Festival to be held at Doonside Technology High School in August, Book Week & the Book Fair, Swim School, the Blacktown Music Festival, our Smart Start and High School Transition programs as well as our stage 2 and 3 camps.

Kids Matter
Did you know that Marayong South Public School is a 'Kids Matter' school?

Kids Matter is an Australian mental health and wellbeing initiative set in primary schools and early childhood education and care services. It's unique because it brings together all the most important people in a child's life - especially families!

Research clearly shows that children who are mentally healthy are better able to meet life's challenges. They are also better learners and have stronger relationships. Good mental health in childhood lays the foundations for the future, and it is never too early for families to start supporting the mental health of children. KidsMatter Primary is a mental health and wellbeing framework for primary schools and is proven to make a positive difference to the lives of Australian children. KidsMatter Primary provides the proven methods, tools and support to help schools work with parents and carers, health services and the wider community, to nurture happy, balanced kids.

For more information about 'Kids Matter' please go to the link below: https://www.kidsmatter.edu.au/families

Pokemon Cards
Pokemon cards are banned at Marayong South Public School. This is because these cards cause lots of problems at school. Students fight and disagree over them. They are often stolen, lost or damaged and this causes extreme distress and anxiety for the students involved. These cards are very valuable to our students and so it is best to keep them safely at home (as we do with all valuable items) where they won't cause any problems at all for anyone if something happens to them. I ask that all parents and carers ensure that Pokemon cards stay at home and do not come to school. Thank you for your support with matter.

Mathletics
Each student is assigned Mathletics homework each week to complete. We encourage students to attempt this work whenever possible. In class, students are acknowledged for achieving a Bronze Award and at each weekly assembly students are rewarded with a certificate for achieving a Silver award. Please contact your child's teacher if you have any questions or if you may have misplaced your child's log-on details.

**Parent Gardening Group**

Are there any parents out there that would be interested in joining a parent gardening group? Ali Ziegler will be coordinating this on Fridays this term. The aim will be to clean up and beautify our school gardens. If there are any parents out there who would like to help, please leave your details at the school office and we'll pass them onto Ali. Ali has already done an outstanding job all on her own, imagine what could be achieved if she had some extra help! Even if you could spare half an hour on a Friday, we would greatly appreciate your time.

**Safety and Supervision of Students**

When students arrive at school from 8:30am, please ensure that they go directly to the COLA area where there is close teacher supervision. We have had increasing numbers of students and parents standing in the lining up area and the area outside the administration building. This presents a problem as it encourages other children to leave the supervised area and therefore puts them at risk.

The school car park is closed between 8am and 4pm for safety reasons. Please do not drive into the school car park during these hours as there are lots of students, preschool children and members of our school community walking within the school at this time and it is not safe to have moving vehicles within the school grounds.

Thank you for your cooperation which will keep all our children safe.

**Athletics Carnival**

We are looking forward to a fantastic athletics carnival on Thursday 7th August. We warmly welcome all parents to join us.

Mrs Mitchell has been working extremely hard with the organisation and planning of our carnival. Evaluations and feedback regarding our school sports events from 2012-2014 have all been very carefully considered to ensure we have the most enjoyable and successful carnival possible this year.

This year, we have included a parent code of conduct in the note that was sent home. This was included to ensure that all members of our school community (students, staff, parents and volunteers) have a wonderful, happy day.

We respectfully ask that any concerns or complaints about an event or incident or the running and organisation of our carnival be directed to Mrs Mitchell or the Principal 24 hours after the carnival has been completed. This is to ensure that matters can be addressed properly and at the appropriate time.

Please feel welcome to approach staff about any other matters on the day.

We thank all parents for your support, which we greatly appreciate and value. We look forward to seeing you all at Charlie Bali Reserve on 7th August.

*Warm regards,*

**LIMITED PLACES AVAILABLE FOR SCHOOL SWIMMING SCHEME FOR YEARS 2-6**

Swim School instruction will take place at Emerton Leisure Centre, Popondetta Road Emerton. This year the Swimming Scheme is being conducted during Term 3. It runs for 10 days from Monday 25 August to Friday 5 September 2014 (Term 3 Weeks 7&8). This program is offered to students in Years 2-6 who are non-swimmers or weak swimmers. Students will leave by bus at 10.30pm and return by 1.00pm each day. The total cost for the 10 day scheme is $75.00, which includes transport by bus and pool entry. We ask that a deposit of $10.00 is paid with the permission note. Parents may pay the balance in instalments at any time prior to the payment due date of Wednesday 20 August 2014.

Website: [www.marayongs-p.school.nsw.edu.au](http://www.marayongs-p.school.nsw.edu.au)
Briefing and debriefing sessions, led by teachers, take place before and after each session. Modules consist of 8 x 30 minute sessions, conducted weekly, once a year. The program at Marayong South will begin Week 7 of Term 3, Tuesday afternoons. Further information will be provided in the next newsletter.

**Attention Year 6 Parents,** your child will be trained as a peer leader, **Monday and Tuesday of week 6** (Year 6 students are required to attend school as normal on these 2 days in uniform). Students will participate in a variety of activities with Mrs Parsons and Miss Hemphill. The purpose of the Peer Leaders’ Training is to prepare students for their role as Peer Support Leaders. For the 2 days, students will work through a range of experiential activities, take part in discussions and complete activities in their Peer Leader’s Learning Guide.

During the training, students will participate in a range of activities focusing on:
- leadership skills
- relationships with others
- their role and responsibilities
- the structure of a peer support session
- understanding how groups work
- strategies to lead a group
- the facilitation of some activities.

This training is part of the school’s plan and commitment to create a safe school. It provides students with the opportunity to develop and practise leadership skills within a supportive environment.

**Benefits for Peer Leaders**
Benefits for Peer Leader’s include:
- building positive relationships across the school
- practising leadership skills
- increasing confidence in leading a group
- improving organisation and time management
- enhancing social and emotional learning
- developing skills to assist with transition to secondary school.

Students will have the opportunity to practise and further develop these skills during the course of the Peer Support Program. If you have any questions in regards to your child being a Peer Support Leader please see Mrs Parsons. We look forward to a productive and enjoyable 2 days.

Assistant Principal

**Mathletics at Marayong South Public School**

Students at Marayong South are part of the Mathletics online learning community. Mathletics is the world’s leading online numeracy resource, helping students to love learning and achieve greater results through engaging content that perfectly matches their school curriculum. As students play Mathletics they earn awards the more they play. When students have earned 1000 points in 1 week, they are awarded with a Bronze award. Once students have earned 5 Bronze awards they are given a Silver award. At Marayong South, teachers and students are tracking their awards. Students will be presented with their Silver awards at their stage assemblies. Once students have reached 4 Silver awards they will be awarded with a Gold award, the highest achievement in Mathletics. We encourage students to earn their points by completing tasks and using the Live Mathletics function.

**Term 3 and Term 4 2014**

**Leadership definition**

"An effective leader is able to influence others to achieve a goal." Peer Support Australia 2012.

**Why teach Leadership?**

Every young person has the potential to become a good leader, though this potential needs to be developed. Engaging in the process of leadership training has both immediate and long term benefits for the school community. In the short term, students who learn and practise the skills of leadership have an opportunity to positively impact on the culture of the school community.

In the long term, school communities are acknowledging the role of students in providing leadership training and providing experiences to ensure the development of leaders for the future. Peer Leaders can and do take action in response to some of the issues in schools including bullying and conflict. Students demonstrate their ability to influence peer attitudes and behaviours and contribute to positive change.

**What is the Peer Support Program?**

The Peer Support Program provides a fun and engaging environment for young people to address social issues. Modules are designed to equip young people with skills to deal proactively with life experiences. The Peer Support Program promotes wellbeing, which encourages positive relationships, connectedness and a sense of responsibility.

**How does the Peer Support Program work?**

Trained Year 6 Peer Leaders, supervised by a teacher, facilitate structured activities with multi aged groups (Kindergarten-Yr 6 students).

**Children and bullying**

Everyone has a right to feel safe.

Everyone has the right to feel safe, to be happy and to be free from bullying. Students who feel unsafe may find it difficult to learn, play and develop. Children who are bullied may develop low self-esteem, anxiety and depression. They may also experience physical harm.

Help prevent bullying.

- Support students who feel unsafe.
- Encourage them to seek help.
- Report bullying to the school.
- Celebrate diversity.
- Encourage friendships.
- Provide opportunities for students to develop positive relationships.
- Promote respect and understanding.

Responding to bullying

- If you see bullying, report it to a teacher or staff member.
- If you are bullied, tell someone you trust.
- If you are the bully, seek help and support.

The simplest way

to make shopping fun

Grocery shopping is an important time for kids to learn about storage, selection and preparation of fruit and veg.

Try these games next shopping trip to challenge your kids’ fruit & veg knowledge:

1. **Play fruit & veg ‘I spy’** - name a colour and get your kids to find all the fruit and veg they can in that colour.

2. **Fruit or veg of the week** - let your kids select a new fruit or veg to try for that week. Brainstorm together what meals you could create with this new ingredient.

3. **If you’re stuck for variety** - set your kids a challenge to pick a furry fruit, an odd coloured vegie or a vegie that grows in the ground.

Try different ways of approaching fruit and veg; you’ll be surprised at the difference it makes to your child’s eating habits.
