Principal's Message
Thank you for welcoming me back to Marayong South so warmly. I have really appreciated everyone's lovely comments. It's wonderful to be back.

Book Week Celebrations
Our students enjoyed a great Book Week performance last week. This week our Book Fair is open and we are looking forward to a fantastic parade on Thursday. Many thanks to our wonderful librarian, Mrs Whitford, for her organisation of our Book Week activities. It's always a memorable time of the year for us all.

Student Behaviour
I ask all parents to speak with their children about the importance of safe, kind, caring and respectful behaviour towards others.

I am very proud to say that the most of our students are beautifully behaved, very respectful and very caring members of our school community. I have noticed however, that some students use very inappropriate and offensive language at times in our playground and show very disrespectful and unkind behaviour towards others. This is absolutely not acceptable and will not be tolerated. Unfortunately the behaviour of some students reflects very badly on us all. I ask that students and parents report any disrespectful or inappropriate behaviour to a member of staff immediately so that these incidents can be dealt with effectively and in a timely manner. Your support is very greatly appreciated.

Road Safety
A number of our students ride bikes or scooters to and from school. It is very important that children understand and abide by the road rules when riding on the road and ride in a safe manner at all times. If your child rides a bike or scooter to and from school, please discuss safety rules with them, thank you.

Disappointment
Disappointment happens to us all at various times in life, so how do we help our children cope with disappointment when it occurs?

- **Help your children identify the emotions** they feel and express them in an acceptable way. Keep a clear head yourself. Sometimes you can get emotional too and logic goes out the window. The simple act of remaining calm will defuse some of your child's negative feelings.

- **Give them an opportunity to talk** about why they think things didn't go the way they expected them to go. This way they can get it out of their system especially if you just quietly listen without criticising or jumping in with solutions. Venting to a trusted adult can be a helpful release.

- **Celebrate having a go** as if it were a win. Give as much praise for having a go as you would do for winning. Reinforce the message that winning isn't always the most important thing – what's important is the effort you put in, your positive attitude, and the fact that you can learn from everything and should keep on trying are equally important life lessons.

- **Hugs and words of encouragement** can ease the pain of disappointment.

- **When people are gushing about one child's achievement, siblings may feel sorry for themselves.** Raise your children to congratulate each other. Being able to put your own disappointment aside to be generous to others is a sign of maturity.

- **Medals or certificates can cause upset when a child misses out**, especially for younger children. Sometimes they just want to have something to show for all the hard work and effort they've put in. That's when parents can find a special treat to show they recognise the child's good work.

- **Children watch how you respond** to failures in your own life. It's helpful sometimes to share your disappointment and show them how you learn from the experience.
- Learning to lose at something with grace will eventually help your child develop into a more resilient person in life. Congratulate them on handling a setback so well.
- Teach self-calming skills. This may be going outside to kick a ball, listening to upbeat music, taking a deep breath, having a chat, using positive self-talk, reading a book, getting a hug, watching a funny movie, going for a walk. Give suggestions if your child is little or provide a diversion but by the time they are 7 or 8, they should be able to figure out for themselves what helps them calm down.

Term 3

Book Fair
Book Fair will begin on Monday 24th August and finish on Wednesday 2nd of September. Book Fair is a fundraising activity for the Library. Students and parents can come to the library which will transform into a Scholastic Book Shop where they can buy books, novelties and posters. The books are of high quality and interest to the students. All purchases help to raise money for more books to be purchased for the Library. Donations of books to the library are also welcomed. The library will be open on the above dates from 8:30 – 9am, at lunchtime and from 3-3:30pm. Students can also make purchases in their class library lessons. Please see the flyer at the end of this newsletter for more details.

Book Parade
The book parade will occur on Thursday 27th August at 2pm. Students will need to dress up as their favourite book character or as something that shines a light (a torch, a candle, the sun ...etc) as the theme for Book Week this year is ‘Light up your world with books.’ Parents/guardians, grandparents

and any other family members or friends are welcome to attend the parade and to bring their camera. It is quite a fun event as we all dance around and parade in our costumes – including the teachers!
